

## CALL FOR ABSTRACTS

for the **6<sup>th</sup> Biennial Symposium of the International Society for River Science**

6<sup>th</sup> ISRS Symposium  
Sept. 8. to 13., 2019  
[www.isrs2019.info](http://www.isrs2019.info)

*It's a pleasure to invite you to ISRS2019! The conference will take place in Vienna, Austria and is organised by the Institute of Hydrobiology and Aquatic Ecosystem Management at the University of Natural Resources and Life Sciences (BOKU).*

The **theme** of ISRS2019 will be **'Riverine Landscapes as Coupled Socio-Ecological Systems'**. Emphasis will be laid on research related to the use and protection of water resources with a focus on highly modified riverine landscapes. The symposium serves as a wide platform for exchange of ideas and experiences between science and practice.

**Topics of interest:** The event seeks to link research at different trophic, temporal and spatial scales and to build bridges between ecology, geomorphology, hydrology, biogeochemistry, social sciences, environmental engineering, technology and economics.

**Submissions** for oral presentations and posters are possible.  
To submit your research, [click here](#). Please take note of the author guidelines.

**Important dates:**

Deadline for abstract submission: 30<sup>th</sup> April, 2019

Notice of acceptance: 10<sup>th</sup> June, 2019

Early-Registration deadline: 15<sup>th</sup> July, 2019

The **conference program** will feature a variety of interesting sessions in different formats, high-level keynote talks by Núria Bonada, Courtney Flint, Hervé Piégay and Klement Tockner, social events and networking opportunities. Guided excursions will be offered after the conference.

For **inquiries**, contact [info@isrs2019.info](mailto:info@isrs2019.info) and/or **subscribe** to our [newsletter](#) to stay updated!

Come and visit Vienna - one of the most historic and beautiful capitals in the heart of Europe and right next to the Danube river!

**We look forward to seeing you all in Vienna at ISRS2019!**

Sincerely,

Thomas Hein, Gabriele Weigelhofer, Pablo Rauch and the organizing team
