Artificial Intelligence and Machine Learning (M.Sc.) - Effective 01 October 2023

The degree programme consists of 120 Credit Points (CP) in total:

- **Computer Science Electives:** 72-84 CP
- **Studium Generale (General Education):** 6-18 CP
- **Thesis:** 30 CP

The following **overview** is an abbreviated, easy-to-read version of the **official course schedule** in the examination regulations, to be found in the Satzungsbeilagen of TU Darmstadt:

<table>

Artificial Intelligence and Machine Learning
Master of Science

Brief Description

In this research-oriented Master of Science programme, students further develop their technical and interdisciplinary competencies in the area of artificial intelligence (AI) building on a preceding computer science bachelor’s program. The programme qualifies graduates for research and development work in basic research or in industry.

For information on application deadlines please refer to www.informatik.tu-darmstadt.de

Language of tuition: English
