Events Summer Semester

The Intercultural Tutors Team offers an extensive event program (Download PDF) each semester for all students from the h_da and the TU Darmstadt.

Stream ITT

Due to the current situation, we want to reduce the risk of a further spread of the corona virus (covid-19) and therefore we mainly offer online events (“Stream ITT”) during the summer semester. In May, June and July we will also offer some offline-events that will take place outside while considering the appropriate rules of distance and hygiene.
