(Please delete as appropriate)

I hereby guarantee that I have the authority to use copyright-protected work in
my work and that I have not been met with any opposition to the contrary.

I declare that the publication of the work does not violate any third-party rights and I indemnify the
Technische Universität Darmstadt against any third-party claims.

I hereby grant the Technische Universität Darmstadt the right to store the publication-approved version of the doctoral thesis

- in electronic form for an unlimited length of time and irrevocably on their own servers and make it accessible via the international data networks;
- to forward it to the German National Library as well as to partner library institutions, which also have the right to store it for an unlimited length of time;
- to produce full copies of the thesis using print-on-demand services for users, to be used in compliance with Sect. 53 of the German copyright law;
- to migrate it to other formats should this be required so that it can be used or filed;
- to forward the metadata[1] of the doctoral thesis for inclusion in databases or directories.

I transfer the following rights of use to TU Darmstadt:

_____

_____

Examples of possible usage rights can be found at

https://creativecommons.org/licenses/

Example (recommended): Published under CC BY-SA 4.0 International

If the thesis is being published as a book, this right is subject to proof that the thesis was published before expiration of the mandatory deadline.

Darmstadt, _____   _____
