## I ENSURE THAT I WILL:

inform all affected parties (i.e. BAföG office, child allowance office, etc.) that I will no longer be enrolled as a student at TU Darmstadt.

## I KNOW THAT:

Examination procedures will not be ended via my de-registration. This means that **examination deadlines will be unaffected**. If I am registered to take examinations, I will have to de-register from these examinations myself. If I do not de-register from these examinations, and I decide to not attend them, my non-attendance will lead to an unexcused failure of the examination. More information can be found through your office of student affairs (*Studienbüro*).

If I choose to de-register on a date of my choosing, instead of at the end of a semester, my semester ticket will be invalid on the date of my de-registration. Misuse of the semester ticket is a criminal offense.
