I work alongside my studies

My part-time job is:

Have you already been employed before, or are you currently employed at the TU Darmstadt, if so, in what form?  
(If available, please state your employee number)

For doctoral students: What is the subject of your doctoral thesis?

Have you stayed abroad for studies or internships? If yes, for how long and where?

### **3. Motivation and expectation concerning the mentoring**

Why would you like to become a mentor?

Which own experiences would you like to share with your mentee?

Which role does your migration background play within your studies?

There are clearly more men than women enrolled in your fields of study. Do you have an issue with that?

What would characterize a successful cooperation with your mentee?

Which expectations and wishes do you have towards your mentee?

Do you already have any ideas or suggestions concerning the framework programme of **Big Sister**? (f.e. Round of talks with female engineers, workshop “intercultural competence”)

How did you take note of **Big Sister**?

**Declaration of Agreement \***

I agree, that my address data will be recorded to the mentor file of the **Big Sister** project and that my E-Mail address will be made accessible to the project participants. The private information and wishes concerning the mentoring programme and the mentee will be treated confidentially and will be exclusively used by the **Big Sister** project coordinator.

I herewith consent to meet my mentee on a regular basis over a period of nine months, to participate in the **Big Sister** framework programme and in the project evaluation.
